

Professional Indemnity Insurance Facility

National Plant Operators Registration Scheme™

Professional Indemnity Insurance Facility

NPORS are working exclusively in partnership with Watkin Davies Insurance Consultants and HISCOX to provide a bespoke product designed for accredited training providers under our scheme*

Professional Indemnity Insurance covers you for compensation you may have to pay to your clients because of problems with your work. The limit of Indemnity you choose will include legal defence costs and any subsequent damages awarded against you. It may also pay for mistakes to be corrected and reimburse you for fees that your client might refuse to pay.

The Policy has been designed to offer the following:

- Exclusive rates & policy wording
- Quick turnaround with a pre-priced proposal form
- A tailor made solution which can include Public Liability, Employers Liability & Office Contents in addition
- An immediate point of contact at the supporting Insurance Brokers

To obtain a quotation please visit our website and complete the pre-priced proposal form or contact Daniel Abbott at Watkin Davies Insurance Consultants on:

029 2062 6226 or **Daniel.Abbott@watkindavies.com**

* Cover can be provided for other similar & recognised Schemes; these must be agreed with Hiscox prior to inception of the Policy.
