

The **NPORS**[®] / **CSCS Card** Get One Get in - Get On!

Most people in construction are familiar with Construction Skills Certification Scheme (CSCS) cards. It's the card that provides proof that individuals working on construction sites have the appropriate training and qualifications for the job they do on site.

Card schemes displaying the CSCS logo are based on the approved standards as mandated by the Construction Leadership Council and like the CSCS scheme require the holder to gain an N/SVQ and pass the Health and Safety Test and should be accepted when presented on site.

NPORS is an approved CSCS Partner Card Scheme.
