

Vacancy

Monitor / Instructor Trainer

Due to expansion, an exciting opportunity has arisen to join our Technical, Training & Standards team. We are looking for a positive, well presented and professional individual to predominantly cover the **East Midlands region**. The role includes extensive travelling across the UK and Ireland with some overseas work also required. Regular overnight stays will be required.

The role is designed to support the Technical, Training & Standards Department in ensuring that NPORS training courses continue to meet the requirements of legislation, national standards and industry requirements. The successful candidate will also be required to conduct monitor visits and audits of various types in line with NPORS policies and procedures and deliver instructional techniques courses at various locations when required.

If you are interested in this opportunity and would like to make a positive contribution to help ensure that NPORS maintains its growth and continues to deliver flexibility whilst maintaining standards across all industry sectors, please send your full c.v. with covering letter to Julie Senior, Managing Director NPORS Limited.

Previous applicants who wish to still be considered, please email Julie Senior to confirm interest.
